Scope and Topics

The AGORA International Law Conference (AILC) has been founded in 2007 founded by [E.-A. Iancu](#) (Nechita) and [M.-J. Manolescu](#) and it was organized every year (AILC 2016 - AILC 2007) on specific subjects on juridical sciences.

For the 11th edition AILC 2017 are invited to participate local and foreign professors, specialists and researchers concerned with disciplinary and inter-disciplinary studies.

The organizers have set as objective to bring to the attention of participants current issues in legal sciences, comparative approaches laws of other states, relevant analysis and critical remarks as well as ferenda bill in the context of Romanian legislation and not only is being in a continuous and necessary change, sometimes hard to be accomplished.

In the conference program will be able to enroll research teams, teams of specialists from Romania and abroad with online interventions. For this purpose the organizers will provide appropriate technical equipment and conduct discussions via video conference.

Parallel Sessions:

- Session I: The impact of legislative changes in judicial practice
- Session II: The role of interdisciplinarity in legal sciences
- Session III: The dynamics of crime in contemporary society
- Session IV: Comparative Approaches to International Law
