Call for Proposals EAC/A03/2016 – Knowledge Alliances**

Reference: Your application 588319-EPP-1-2017-1-LT-EPPKA2-KA
Project Title: Knowledge Alliance for Sustainable Smart Cities (KNACK)

Dear Mrs Asta Radzeviciene,

You have submitted an application to the Erasmus+ Programme, 2017 call for proposals for the action specified above. The call for proposals closed on 28/02/2017 - 12:00 (CET/CEST). The Education, Audiovisual and Culture Executive Agency (EACEA) received 168 applications for this call. Out of these 168 applications submitted, 20 have been selected for funding and 2 have been placed on a reserve list.

I am writing to inform you about the selection decision taken by the Head of Department of the Agency, acting in her capacity as authorising officer, based on the recommendations of an Evaluation Committee assisted by external experts.

I regret to inform you that your application has **not** been selected for EU co-funding. It received **73/100** points however given the available budget only applications with a score of 78/100 points and above could be selected for funding.

The list of all selected projects will be published on the website of the Executive Agency at http://eacea.ec.europa.eu/erasmus-plus/selection-results_en when all applicants have been notified about the selection results.

Attached to this letter you will find an evaluation report based on the opinion of the external experts. The Executive Agency will not elaborate further on these assessments. Please take into account that most of the evaluation reports were written by non-native speakers.

Thank you for the interest you have shown in the programme and the time and effort you have invested in preparing your application. This decision is in no way a negative reflection on the value and importance of your project.

For information on future Calls for proposals under the Erasmus+ Knowledge Alliances action, please refer to the web page http://eacea.ec.europa.eu/erasmus-plus/funding_en.

Yours sincerely,

Amaya Perez de Albeniz
