3rd edition of International Symposium
“Brainstorming in Agora Students’ Scientific
Circle“, BACStud2017**

The 3rd edition of International
Symposium “Brainstorming in Agora
Students’ Scientific Circle“
BACStud2017

- **Main organizer:** Agora University of Oradea (UAO)

Partners:

- University of Oradea (UO);
- University “Aurel Vlaicu” of Arad;
- Centre Europe Direct Agora Oradea;
- Research and Development Agora;
- Agora International School;
- Police Inspectorate of Bihor county;
- Centre of Forming and Improvement Perfect Service;
- Oradea Local Police;
- Centre 54 Communications R.M.N.C.

Period of deployment: 19 - 21. 10. 2017

Places: Agora University of Oradea, Băile Felix Spa

Purpose: BACStud 2017 is a part of logical and practice education centred on student; it is a sequel of the student's implication in projects, mobility and entrepreneurial activities. This Symposium proposes to create a friendly environment, a bridge between students and mentoring professors with similar concerns, from all over the country but also with international extension, for a future collaboration.

Objectives:

- Creation of a friendly work environment, favourable to create daring "thunderstorms of ideas", without fear of mistakes, which brakes creativity;
- Discovering some potential talents among the participants with disposition for research and innovation;
- Training skills and competencies to write scientific articles and public presentation of ideas in an attractive form;
- Encouraging participants in research work, innovation, development and application of the results;
- Co-optation with outstanding personalities of the Romanian education, as well as of representative of some institutions and local firms in the event;
- Dissemination of the best articles through publication in *Agora International Journal of Masters Studies* review and in other periodicals.

Sections:

- Section of engineering;
- Section of juridical sciences;
- Section of administrative sciences;
- Section of economical sciences;
- Multidisciplinary section of Phd students;
- International section of English language for students and pupils (it is possible to work poster);
- Multidisciplinary special section for pupils;
- Practice – demonstrative applications section, simulations and "Expo_BACStud 2017".

Editing instructions:

- Paper title (Times New Roman, 14, Bold, caps lock, centred);
- Authors of the paper – maximum 2 (Times New Roman, 12, Bold, caps lock, centred);
- Coordinators of the paper – maximum 2 (Times New Roman, 12, Bold, caps lock, centred);
- Affiliation - (Times New Roman, 12, Bold, caps lock, centred);
